NEW BUSINESS

Zoning Code Project

Holly presented the Zoning Code PowerPoint presentation that the RNC has agreed to deliver as a part of the Dyer-Ives grant. The PowerPoint is about an hour long. Suggestions were made on what could be cut down as well as what was absolutely essential to keep and Holly and Carol will continue to look at ways to shorten it. After viewing the PowerPoint, the Committee filled out evaluations that will also be used during the actual presentation at neighborhood meetings.

Carol mentioned that she sent out a mailing to all of the neighborhood and business associations to schedule these presentations. So far, she has gotten one response – West Fulton Business Association. Their presentation is scheduled for September 10th and Christine has agreed to be the presenter.

Future Meeting Topics

September Meeting: Tom Pfister, LISC Director, will be speaking to the RNC about his latest project.

October Meeting: Tom Bulten, Oakdale Neighbors, will be discussing the pros and cons of rezoning an entire corridor to TBA versus a section at a time.

OLD BUSINESS

Ideal Neighborhood Indicators

RNC members present had their indicators prepared as assigned via email but discussion of them was postponed until the next meeting because of time constraints.

Meeting adjourned at 10:45.

NEXT RNC MEETING: Tuesday, September 16th, at 9:30 a.m.

Respectfully submitted,

Holly Zoe
Acting Secretary
